

Armed Robbery Survival Training

RLDF has recently added Armed Robbery Survival to its portfolio working in conjunction with a leading training organisation 'Barrington's'.

RLDF is now able to offer training for you and your staff to be able to handle and mentally deal with a Robbery should your store go through one. Armed Robbery Survival Skills (91315NSW) Training delivered by Barrington's is designed to help your staff protect themselves and others from becoming physical and psychological victims should a robbery occur.

The sole focus of the training is on harm minimisation and self preservation. It is critical training for ALL staff.

Classroom Based Training

This is a nationally recognised course with a professional trainer. Complete with workbooks and certification, this 4 hour course is designed to give staff of all areas and levels the confidence to handle the situation should it arise. The course includes topics such as Surviving a Robbery, Opening and Closing Procedures and Target Hardening strategies.

Key learning outcomes for both programs:

- How to have the confidence and skills to survive an armed robbery
- How their actions can also ensure the safety of other people present
- The mental tools to maximise their safety
- The universal catch cry of survival - S.O.S.
